for Preparing Polyolefins Using Said
Catalyst

WITHDRAWAL OF SMALL ENTITY DESIGNATION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Our firm recently assumed the prosecution of the above captioned patent application and noticed that small entity status has been designated. Applicants hereby request that small entity designation be withdrawn and that the application be prosecuted under large entity status.

Respectfully submitted,

Raymond Reese
